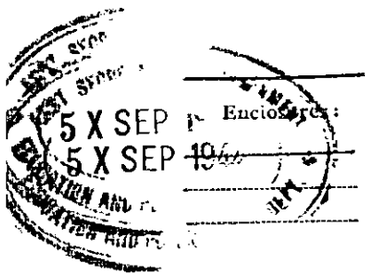
Buildings - South Kanara District - Mangalore - Lady Goschen Hospital Construction of a lying-in-ward for Muslim Women - Offer of Hajee K. Abdul Khader Sahib - Mangalore - Accepted.

C.F. 32. Medical

Department | Received ..... Registered .....

From (Name) Colonel J.P. Huban O.B.E., M.B.B., I.M.S.,
Designation Surgeon-General with the Government of Madras,
Station Madras.

To
The Secretary to Government,
Education and Public Health Department,
Madras.



Enclosures:

Ref. No. 42007-3 M/44 dated 14-9-1944.

Sir,

Subject:- Buildings- Mangalore- offer from Hajee K. Abdul Khader Sahib, Mangalore to construct a lying-in-ward for Muslim women in Lady Goschen Hospital, Mangalore.

43910

Hajee K.Abdul Khader Sahib, Mangalore has offered to construct a lying-in-ward for Muslim women in Lady Goschen Hospital, Mangalore for the reasons mentioned in his letter dated 21-6-1944 (copy enclosed). This ward will consist of 3 rooms to accomodate 6 inpatients. The present bed strength of the Hospital is 80 and if the proposed lying-in-ward for Muslim women is contructed, the bed strength will be increased to 86. The District Medical Officer was asked to obtain from the donor a statement in writing agreeing to the usual conditions stipulated by Government for accepting donations and he has agreed to the same. His original letter of consent is herewith enclosed.

3. The extra cost involved on account of additional staff, equipment etc., to the new ward is as follows :-

	Initial expenditure.	Recurring expenditure.
1. Additional Staff ..	Rs.324/-	354/-
2. Equipment ..	" 440/-	-
3. Diet ..	-	2,000/-

(details furnished in annexure).

The additional Female Nursing Orderly and the Female -oty asked for are within approved scale and can be allowed The Sub-Divisional Officer, Public Works Department reports that the approximate cost of construction of the proposed ward will be Rs.14,400/- and that steel and teakwood are not required, as Sirool wood could be used for the roof and that cement can be procured if required. In the circumstan mentioned above I recommend that the offer made by the donc may be accepted.

for Surgeon-General with the Government of Madras, Madras.

Copy of letter dated 21-6-1944 from Hajee K.Abdul Khader Sahib, Mangalore, to the Surgeon-General with the Gov rnmen of Madras, Madras.

I beg to bring the following for your kind and sympathetic consideration and favourable orders:

population of this Municipality in 1941 was

There is only one institution which provides for the treatment of women and children exclusively. Even in this institution which is specially designed for women, there is no provision for the reception and treatment of Muslim women separately among whom the system of purdha still continues and though the need for having a ward exclusively for their treatment was brought to the notice of the authorities several times, nothing tangible was done or attempted so far to remedy the long-felt distress, so much so that its necessity has become an ever-lingering factor, unaided and unattended to.

Now, therefore, to eradicate this long felt want of this Community and to provide fecilities, comfort and expert medical aid to the poor Muslim women for general treatment and specially for confinement, I offer to construct a ward of three rooms for accommodation for 6 in-patients, in the premises of the local Lady Goschen Hospital and to transfer it thereafter to the Government as a free gift for up-keep and maintenance. The ward will be constructed according to the directions and design given by the Government Architectural experts and subject to their supervision and approval.

The ward will be designed as a lying-in-ward for Muslim women and named after the donor.

I therefore request that you may be graciously pleased to accord sanction for the construction of the ward and to take such other measures as are necessary for its acceptance by the Government for up-keep and maintenance.

Annexure.

C.no 43910/cc. From the S.G. Ref no. 42004. 3 M/44 dt. 9.44.
P.A. to S.G. TH dt. 8.9.44.

Buildings. Mangalore. Lady Goschen Hospital. Construction of a lying in ward for muslim women. Offer from Hajee Abdul Khader Sahib.

Hajee K. Abdal Khader Sahib, Mangalore has offered to construct a lying in ward for the exclusive use of muslim women in the Lady Goschen Hospital, Mangalore. The ward will consist of three rooms with accommodation for six patients. The approximate cost of construction as reported by the S.D.O.(P.W.D), is Rs 14,400. Steel and teakwood are not required.

2. The conditions of the offer as accepted by the donor are as below:

(i) that the proposed ward will be constructed in accordance with the plans & estimates approved by Govt (P.W.D);

(ii) that the building after completion will become the absolute property of the Govt;

(iii) that the ward should be maintained by the Govt as long as maintenance of the Lady Goschen Hospital continues.

The ward will be named after the donor.

3. Condition (iii) above has been slightly altered by the donor. The usual condition generally runs as follows: "that the acceptance of the offer places no obligation on the Govt to maintain the ward. The ward will be maintained so long as the Govt's financial position permits of maintenance."

The donor wants Govt to maintain the ward as long as maintenance of the Lady Goschen Hospital continues. This is a deviation from the usual

The donor may be argued to meet the entire cost of construction
21/9/44

Condition and need not be agreed to. Before accepting the offer the donor may perhaps be told that this alteration cannot be accepted and his reply may be obtained. B 21/9/mm

4. If this offer is accepted and the ward constructed, the bedstrength of the Hospital will increase from 80 to 86. The S.G. therefore requests sanction for an expenditure of Rs 1440/- (non-recurring) on initial equipment and Rs 2,000/- (recurring) on diet. These may be accepted. 21/9/mm

The S.G. has also submitted proposals for the appointment of an additional female nursing Orderly and a female Sweeper. These are examined below:-

(i) Additional female nursing Orderly.

The present bedstrength of the Hospital is 80. On the scale of one nursing Orderly for every eight beds the maximum allowable is 10 and the Hospital has at present 10 female nursing Orderlies. ~~Ordinarily the maximum admissible is not sanctioned.~~ The appointment of an additional nursing Orderly due to the addition of 6 beds is not therefore justified. The proposal may be negatived. 21/9/mm

(ii) Additional female Sweeper.

The usual scale is 1 Sweeper for every 15 beds in hospitals where there is water Carriage system and 1 additional Sweeper if the no. of beds over 15 or multiples of 15 is not less than 9. At present the Hospital has 5 Sweepers. The Hospital is therefore eligible for an additional Sweeper when the bedstrength is raised to 86. An additional Sweeper may perhaps be sanctioned. 21/9/mm

5. The remarks of P.W.D and Fin may be invited. In 1939 there was a Govt. ruling ~~to the~~ against Wards for castes at communities. Please [illegible]
